INTRODUCTION:

Hi, My name is Jen. I am a patient, dedicated, and dependable individual. I actively participate in and enjoy watching tennis, along with my passion for all sports, including football.

I have been lucky to gain a variety of experiences in different areas, including retail, nursing, wool pack repair, hairdressing, and aged care, where I have cared for my ill mother and elderly father. I have a love for animals, especially cats, dogs, and horses, although I am not particularly fond of reptiles.

My experience includes working with individuals with a range of disabilities such as intellectual disabilities, Down Syndrome, ADHD, ASD Levels 2 and 3, both verbal and non-verbal, Bipolar disorder, short-term memory loss, Oppositional Defiance Disorder, ADD, PDA, OCD, developmental delays, PTSD, Anxiety, and Speech Disorders and Delays.
