

Little Things Support Services JAMES

SUPPORT WORKER

INTRODUCTION:

Hello everyone! My name is James, I'm 29 years old and I have been living in Geelong for about 6 years now. I'm originally from Gippsland near Traralgon and wanted to move up here to be closer with my two neices and family. Over the last few months I've realized that I would be the perfect person to work in disability support work.

I'm a kind, respectful, empathetic, compassionate, patient person and also love doing fun activities and cleaning! I love playing games, going on adventures, puzzles, listening to music, playing basketball, trivia (geography is my strength), AFL (Go Saints), bike rides, dogs and more! I have also travelled overseas a fair bit and around Australia and would love to see more of the world!

My experience includes working with individuals with a range of disabilities such as Jacob's Syndrome, ASD - Level 2, ADHD, Social Phobia, PDD, PTSD, Amputee, Generalised Anxiety Disorder.
