SUPPORT WORKER

INTRODUCTION

My name is *James!*

I've called Geelong home for the past eight years, after growing up in Gippsland near Traralgon and moving to be closer to my two nieces and family. Over the past 12 months, I've become even more certain that disability support work is the right path for me. I'm a kind, respectful, empathetic and compassionate person who genuinely enjoys supporting others.

Bringing the fun

I love bringing a sense of fun into my work, whether that's through activities, games, conversations or simply making everyday support tasks more enjoyable.

Outside of work

I enjoy games, puzzles, trivia (geography is my strength!) and music. I love adventures, bike rides and basketball, and I'm a passionate AFL fan — Go Saints! I have a soft spot for dogs, take pride in organised, welcoming spaces, and love to travel.

I aim to provide respectful, person-centred and encouraging support, taking the time to understand each participant's interests, preferences, needs and goals. Whether it's getting out in the community, enjoying a favourite activity, completing everyday tasks or simply having a chat, I enjoy supporting people in achieving what is important to them.

"Support should be about more than completing tasks — it's about creating positive experiences, encouraging independence, and helping people feel comfortable and valued."

I look forward to getting to know the people I support and being part of their journey with Little Things Support Services.
