MATT

SUPPORT WORKER

INTRODUCTION:

G'day I'm Matt. Pizza enthusiast and avid admirer of my two kids. After 10 + years as a tradie, my young family and I moved to the outback, where I fell in love with community and I studied and worked in education support.

I love exploring beaches, bushland, waterslides and coffee shops that Geelong has at its fingertips.

Meeting new people, trying new things, telling stories, playing music and games. All awesome!!!

I hold a special interest in health & fitness, food, nature, movies, singing, playing music.
