## INTRODUCTION:

Hello, I'm Kai, 23 years old, and I've been working as a Support Worker for approximately 10 months. I find great satisfaction in forming meaningful connections with people of all ages and am passionate about assisting my participants in reaching their goals.

Outside of work, you'll often find me on the basketball court, where I thrive in competitive play. I also have a deep love for travel, exploring new cultures and cuisines. Music is a big part of my life, and I enjoy listening to various genres to unwind. Additionally, I'm an avid gamer, always up for the next gaming adventure.

My experience includes working with individuals with a range of disabilities such as Intellectual disability, Jacob's Syndrome, ASD - Level 2, ADHD, Social Phobia, PDD, PTSD, Amputee, Generalised Anxiety Disorder.
