## SUSIE SUPPORT WORKER

### INTRODUCTION:

Hi! My name is Susie, I am 25 years old and I love to serve others. I am also very patient, dependable, committed, and compassionate.

I have worked in retail and hospitality for five years, but during the past year, child care has helped me become more independent and skilled in communication. I have always given my all to whatever task I have taken on.

I like to do crafts, draw, listen to music, pull practical jokes, adventure, roller coasters, animals, and watch the NRL (Go Storms) and AFL (Go Saints). I am game to try anything new at all times!

My experience includes working with individuals with a range of disabilities such as individuals with Intellectual disability, Cerebral Palsy, ASD Level 1, 2 and 3, Global development mental delay, Scoliosis, Chromosome Deletion Syndrome, ADHD, Generalised Anxiety Disorder, PTSD and ODD.
