ZOE

SUPPORT WORKER

INTRODUCTION:

Hi, I'm Zoe! I'm 29 and currently live in Geelong with my partner, our three cats, and our German Shepherd, Daisy. I bring a warm, positive attitude to my work and genuinely enjoy building meaningful, lasting connections with the people I support.

In my free time, I enjoy relaxing at home with my pets, watching Netflix, playing computer games, colouring, and spending time outdoors exploring nature with Daisy.

I have completed my Certificate III in Individual Support and am currently working towards my Certificate IV to further develop my skills and knowledge in the disability sector. I am passionate about supporting individuals to live as independently as possible while feeling safe, respected, and valued.

My experience includes working with individuals with a range of disabilities, such as dementia, physical and sensory impairments, and neurodiverse conditions, including Autism Spectrum Disorder (ASD), Attention Deficit Hyperactivity Disorder (ADHD), and Pathological Demand Avoidance (PDA).
